WEDDINGS

your
Love story

Every couple has
a love story.

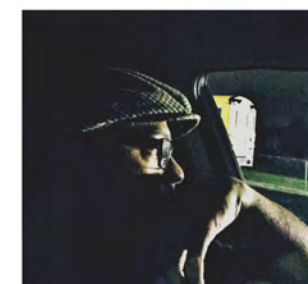

Let me tell yours.

Your wedding is a unique reflection of you. That's why I love getting to know you personally — so I can tell your story beautifully. Sharing all your wedding dreams and details helps me create authentic, meaningful images that reflect the true you. Your unguarded moments. Your natural emotions. All the cherished images of your very special day.

My shooting style is quietly unobtrusive. And my images naturally reveal the expressions of love and commitment that you both share. This is my passion. The heart of what I do. And it shines through in every image.

Your wedding day will be filled with extraordinary moments — intimate, surprising and joyous. Those fleeting moments, captured creatively, are the timeless visual heirlooms that will instantly bring you back to the essence of your wedding day.

I'm Antony Velez - Let me tell your love story.

| CHOOSING YOUR PHOTOGRAPHER |

bringing your wedding memories to life

You have hundreds of wedding plans to make. Deciding who will bring your memories to life is one of your most important. When the flurry and excitement of your wedding day is over, it is beautifully captured images that help you revisit the romance, emotion and spirit of an event that passes so quickly.

So, how do you choose the best wedding photographer for you?

Choose A Photographer Who Values Your Dreams

Your story is as unique as your smile. Getting to know you and your wedding dreams helps me tell that story - and brings new friends into my life. That makes all the difference. You will be more comfortable in front of my lens, and your images will have the natural, authentic feel of true keepsakes.

BOOKING YOUR PHOTOGRAPHER

the easiest part of your wedding plans

Let’s get together — on the phone or at your favorite coffee spot — I’m flexible. We’ll chat about your wedding day, confirm your date, and discuss all the fun details. I’ll show you examples of beautiful custom wedding albums and other items that can become your cherished wedding day heirlooms. Together, we’ll create the perfect collection for your wedding.

Once we confirm the details, I’ll prepare your Contract and Invoice. After you return your signed Contract and the retainer fee, I’m officially your wedding photographer!

The Next Steps — What You Should Expect

4 Weeks Before Your Wedding: We meet to review all your details, so I can start planning your shoot.

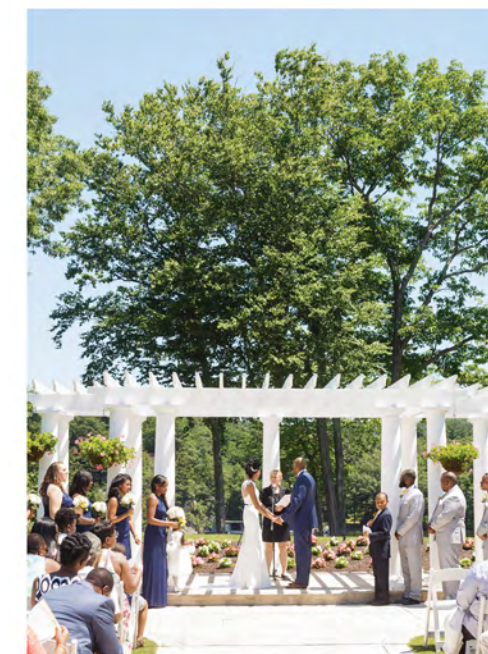

1 Week Before Your Wedding: We confirm all the final details and address changes or questions; and your final payment is due.

Your Wedding Day: I follow your timeline as your day unfolds.

7-10 Days After Your Wedding: The images are posted to your personalized photo gallery for your friends and family to view.

3 Weeks After Your Wedding: Your album design layout is revealed and we place orders for prints, canvases and other items.

45 Days After Your Wedding: Your wedding album arrives. Most of your other printed items should already be in your hands.

ENGAGEMENT SESSIONS

show your loved ones how it all began

Show your loved ones how and where your love story began with your own engagement photo session.

Engagement sessions add so much to the story of who you are as a couple right now, and they're an ideal way to become more comfortable in front of my lens before your wedding day.

Your engagement session can be as simple as a stroll through your favorite park, an intimate meal at your favorite café, or even a romantic return to where he proposed — anything you can imagine to share the imagery of your personal love story.

Formal or informal, images from your engagement session are beautiful additions to your wedding album, and also make a wonderful signing book. They help to craft the whole story, and can even be used for Save-the-Date cards, Invitations or Thank You cards.

YOUR WEDDING TIMELINE

a smooth flow to your special day

Memorable weddings don't just happen. They take a bit of organization. To ensure a smooth flow of beautifully captured memories of your day, a timeline of wedding events will help guide your planning.

Getting Ready: The Bride & Groom — 1.5 to 2.0 hours

Plan for some additional time for photos at the salon, and if you're planning a "first look".

The Wedding Ceremony — 15 minutes to 1.5 hours

The length of your ceremony may vary widely. Afterward, allow more time for formal portraits (if planned) to allow your guests to leave the church or venue.

Formal Group & Family Portraits — 30 minutes to 1.0 hour

Formal portrait timing can vary widely depending on group size and family/group combinations.

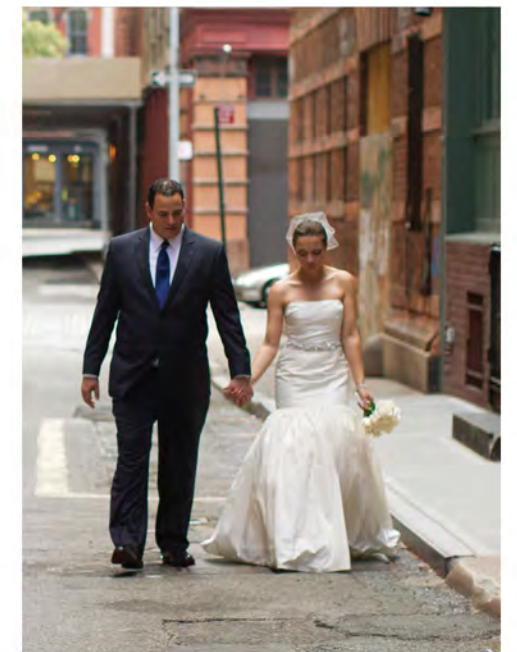

Wedding Party & The Newlywed Couple — 30 minutes to 1.5 hours

Timing can depend largely on the venue, size of the bridal party and variety of poses.

Your Reception — 2.0 to 6.0 hours

Your first dance, cutting the cake, dancing guests, friends and family sharing your joy.

Remember. Your wedding day is unique, and planning together ensures you don't miss a minute of this special time in your lives.

DETAILS DETAILS

something borrowed something blue

The dress. The rings. The cake. The bouquet. These, and all the other visual details of your wedding, are small but oh-so-meaningful expressions of all that is unique about you. They are the fine points that distinguish you as a couple, and form the visual texture of tender memories.

I will document them with care.

REMEMBERING YOUR DAY

meaningful connections to your wedding day

There is something about holding a photograph in your hands. It connects you physically to the feelings of a time and place that an image on a screen can't replace. That's why your wedding album is so important. It is a tangible link to your wedding day.

Digital files definitely have their place. But a beautifully crafted fine art album is a permanent heirloom you will enjoy, share and pass down — a meaningful connection to your wedding day that becomes more cherished each year. From photographic covers to the finest leathers and materials, we'll work together to design the perfect album as a centerpiece to your collection.
